# In the midst of winter, I found there was, within me, an invincible summer.

Albert Camus

My dear,

In the midst of hate, I found there was, within me, an invincible love.
In the midst of tears, I found there was, within me, an invincible smile.
In the midst of chaos, I found there was, within me, an invincible calm.

I realized, through it all, that…

**In the midst of winter, I found there was, within me, an invincible summer.**

And that makes me happy. For it says that no matter how hard the world pushes against me, within me, there's something stronger – something better, pushing right back.

Truly yours,
Albert Camus
